Special emphasis will be placed on individual skills that can be improved through individual practice. Throughout the week participants will be involved in 3 on 3 and 5 on 5 play. Players will learn how to compete on a team while maintaining a positive attitude. Prizes will be awarded on a daily basis to keep drills competitive and fun for all the campers. Players will compete in a free throw shooting contest, hot spot shooting contest, and ball handling contests.

Camp instruction is provided by varsity girls basketball coach Josh Williams and his staff; including players from the Clinton High School Basketball Program.
